1. The Bid Evaluation Criteria is: The lowest unit price.
2. The companies are encouraged to offer total required quantities for the whole period; offers that submit lower quantities than the total required quantity, shall also be accepted.
3. KESH sh.a., based on the audit recommendations of the Supreme State Audit and in accordance with the events occurring during previous procedures, requires all companies to be represented by only ONE independent entity, which should have a unique legal name, a unique headquarter, unique legal representatives and all distinguished criteria of an independent commercial company, until a new decision of responsible authorities for “Protection of competition”.
4. The parties shall not be entitled to assign any rights under the Contract.
5. KESH sh.a., based on the “Electricity Trading Regulation” published on the official website, reserves the right to decline any bid or to accept fully, or partially, or make combination of the lots, or to accept more quantity for each Lot, or to cancel the selling-purchasing procedure (partly or totally) on its sole discretion.
6. The unit/price includes the value of fiscal obligations, but does not include the value of VAT. Only for comparison and evaluation reasons, the classification of the offers will be based on the lowest unit/price that does not include the value of VAT.
7. The contract with the foreign companies will be signed based only on the final offer’s unit/prices and value of their offer, in which the value of VAT and other fiscal obligations will not be included. The contract with the local companies will be signed with the total value of the final offer (which includes VAT value + the values of all fiscal obligations recognized by the Albanian Legislation).
